

Good start for skiers

AVON Ski Club took part in the first meeting of the Summer Race League at the artificial slope in Gloucester.

Oliver Mathew had a stunning performance in the morning by coming first in the Under-9 age group, with Jon Sayers coming fourth. Max Shubert and Callum Black came 10th and 11th, bearing in mind they are seven and six-years-old respectively.

In the Under-12s, George Case (9), came fourth in his first race in this age

group, still only nine. In the Under-15s Christian Plaster was the top runner, placed seventh and a hearty pat on the back to Andrea Platts-Smith in her first race, eighth in the Under-50s.

In the afternoon, racers raced against each other. Rebecca Penman was the best performer with two wins and a draw, followed by Callum Black, Jon Sayers and Alex Sayers with two wins.
